**THE HIGH LINE OPEN STUDIOS PRESENTS ITS 2022 Fall Art Preview, ARTISTS' OPEN STUDIOS TOUR, October 22-23, 2022, from 12 – 6 p.m.**

September 17, 2022

(New York, NY) The High Line Open Studios presents its 15th Annual Artists' Open Studios to kick-off the fall 2022 New York art season. On Saturday October 22nd and Sunday October 23rd, the artists of West Chelsea will open their studios to the public for a free self-guided art tour from 12 to 6 p.m. each day.

The High Line Open Studios provides a rare opportunity for the art lovers, collectors, dealers, and tourists to meet our local contemporary artists who keep this historic art neighborhood vibrant. Artists will be on-hand to show their most recent artworks and discuss their artistic practice. While typically only accessible by appointment, visitors will be granted access “behind the scenes” to explore each artist’s creative space. The intimate setting gives collectors and dealers the rare opportunity preview and purchase artworks directly from the artists’ inventory without the gallery markup. It’s also a fantastic way to discover new emerging talent and discover the next art star.

We anticipate a fantastic turnout for our highly anticipated weekend event. Please join us to meet the artists of West Chelsea and support New York City’s artists, art, and culture.

The High Line Open Studios is organized and presented by West Chelsea artist, Scotto Mycklebust, artist/executive producer, and the Public Art Squad Project.
